Phonak Virto™ B

Phonak Virto B is the broadest and most comprehensive custom product portfolio available for every degree of hearing loss and lifestyle. Built upon a strong legacy, Phonak Virto B combines innovative, cutting-edge technology with truly unique, hands-on customization and building processes to make sure your Virto B hearing aids fit you exactly.

State-of-the-Art Hearing Technology

Phonak Virto B are the world's first hearing aids with Biometric Calibration, utilizing over 1,600 unique data points from your individual ear anatomy to customize your hearing performance exactly for you.

Powered by the innovative Belong™ platform, Phonak Virto B hearing aids utilize AutoSense OS™, a unique operating system that delivers fully automatic, effortless listening with excellent hearing performance.
