

# Hearing feels like second nature

Everyone's ears and hearing are unique. That's why we always aim to make using hearing aids feel and sound as natural as possible, guided by how we instinctively interact with the world. With ReSound ONE™ you can forget you're wearing hearing aids because our designs adapt to fit your needs and situations – individualized for you.

Add convenient hands-free calling, direct audio streaming, access to remote hearing care services, and industry-leading battery life, ReSound ONE truly keeps you connected to people and technology you need to become ONE with your world.

Hear like no other with ReSound ONE.

# Unmatched connectivity to adapt to your needs

## STAY CONNECTED

ReSound ONE adapts to your lifestyle connecting you to the world around you with direct audio streaming from both iOS® and Android™ devices. So your favorite audio book, music or even GPS directions can stream directly to your hearing aids without an intermediary device.

## HANDS-FREE CALLS

Enjoy the freedom of hands-free phone and FaceTime calls for iPhone and iPad\*\*. Simply tap the button on your hearing aids to answer calls and free up your hands for other tasks.

## EASY ADJUSTMENTS

One-tap sound adjustments on your ReSound Smart 3D™ app and a versatile range of wireless accessories give you even more options to connect to the sounds you enjoy every day, like your favorite TV program.

# More connections for better care

ReSound ONE includes access to ReSound Assist, so you can receive hearing care in the most convenient way.

## FACE-TO-FACE ONLINE HEARING CARE

ReSound Assist Live makes it possible to have face-to-face fitting sessions from the comfort of your home. Simply answer the incoming video call from your hearing care professional and get real-time fine-tuning adjustments.

## REMOTE FINE-TUNING ANYTIME

ReSound Assist Remote Fine-Tuning allows you to send requests for additional adjustments anytime through the ReSound Smart 3D app. Updates will be sent to you to download at your convenience - without the need for an office visit.

ReSound ONE provides you with a more complete and individualized sound experience with:

## A MORE NATURAL SOUND AND IMPROVED SENSE OF SPACE

ReSound ONE with M&RIE is the first hearing aid\* with three microphones, including one in the ear, to use your ear's natural ability to collect the information your brain needs to make sense of sound.

## EASIER-TO-FOLLOW CONVERSATIONS IN DYNAMIC ENVIRONMENTS

All Access Directionality gives you access to all the sounds around you, putting you in charge of which sounds you want to focus on - not your hearing aids.

## BEST 1:1 SPEECH UNDERSTANDING

Like an invisible beam of sound detection, Ultra Focus lets you decide when to concentrate on the speech in front of you while minimizing background noise - even in the toughest environments.

\*Microphone in ear and two standard directional microphones, directionality features, wireless audio streaming.

\*\*ReSound ONE hands-free calls are compatible with iPhone 11 or later, iPad Pro 12.9-inch (5th generation), iPad Pro 11-inch (3rd generation), iPad Air (4th generation), and iPad mini (6th generation), with software updates iOS 15.3 and iPadOS 15.3 or later.

# Unique ergonomic designs

Built for ultimate comfort and adaptability, our ReSound ONE designs sit low on the ear to improve hearing comfort and ensure the correct placement of the microphones for great performance. ReSound ONE comes in a variety of colors to blend with hair and skin tones, so you can wear with confidence.

At ReSound we believe life is best when it's a natural, effortless flow, so we take to heart anything that holds you back. This is why we have devoted the past 150 years to making life sound better, connecting you to a life without limitations. Our breakthrough innovations, inspired by our Organic Hearing philosophy, all have one core ingredient – you, because hearing and hearing care should be as individual as a fingerprint.

ReSound is part of the GN Group – pioneering great sound from world-leading ReSound hearing aids to Jabra office headsets and sports headphones. The GN Group was founded in 1869, employs over 5,000 people, and is listed on NASDAQ OMX Copenhagen.
